Because LB&I and the taxpayer agreed that, if the property was real property for purposes of Sec. 199, the activities performed by the taxpayer would constitute construction activities under Regs. Sec. 1. 199-3 (m)(2)(i), the Chief Counsel focused on the narrow question of whether the property is "real property" as defined under Regs. Sec. 1. 199-3 (m)(3).

IRS Clarifies Definition of "Construction of Real Property ...

Real estate development, or property development, is a business process, encompassing activities that range from the renovation and re-lease of existing buildings to the purchase of raw land and the sale of developed land or parcels to others. Real estate developers are the people and companies who coordinate all of these activities, converting ideas from paper to real property.

Real estate development - Wikipedia

Construction is a general term meaning the art and science to form objects, systems, or organizations, and comes from Latin constructio (from com-"together" and struere "to pile up") and Old French construction. To construct is the verb: the act of building, and the noun is construction: how something is built, the nature of its structure. In its most widely used context, construction covers ...
