book are inspired by real situations and are designed to encourage the reader to get low cost and fast access of books.

### **Leaning Into The Look Leaning**

There is some relationship angst, but it's very real and doesn't feel manufactured. Leaning Into the Look is a beautifully written, relationship-driven story with complex MCs, a big focus on family and friendship, plenty of heat (the chemistry between the men is explosive!), and a sweet & satisfying HEA.

### **Leaning Into the Look (Leaning Into #6) by Lane Hayes**

All in all, Leaning Into the Look was an outstanding addition to an excellent series. It's a story of healing, family, friends, trust, and falling in love. 4.75 Stars rounded up to 5. P.S.

If you are leaning towards something you are also leaning away from something else. There is an inherent double-motion in leaning. So, as we observe the launching of this feminist movement, we might do well to remember that "leaning in" has two sides. As an action, leaning in may be following an urge, an internal nudge.
