### The Blackbird Singularity

The Blackbird Singularity explores the fine line between a writers creativity and a mind in the grip of a full-blown manic episode. The story is told from the point of view of Vince, a struggling writer, who decides to stop taking his medication when he discovers his wife Lyd has become pregnant.

### The Blackbird Singularity by Matt Wilven - Goodreads

The trouble is, 'The Blackbird Singularity' was just a little too obtuse, for my taste anyway. At times, it was hard to gauge whether one was reading about the fantasies of the bipolar mind or whether the paranormal had been brought into the story. Regardless, these sections of the story were creepy, ...

### COLE — SINGULARITY

The Blackbird Singularity is one of those novels that packs magic realism, issues about mental health, success, writing, grief, pregnancy, new hope and life in all of its forms into a story line that is full of action, pathos, believable characterisation and everyday situations with more than a hint of the supernatural.

### BookLore Review - The Blackbird Singularity by Matt Wilven

The Blackbird Singularity is an intense and deep exploration of mental illness and grief, but it's also very relatable and real. Although Vince's way of thinking is primarily profound, he is not insufferably self-important and his profound moments don't try to be overly artistic or poetic, they are very much rooted in real life illusions.

Matt Wilven does something wonderful and much needed with his debut novel, The Blackbird Singularity; he makes mental illness approachable and real. In an age when every act of mass violence is pegged either on radical fundamentalists or "crazy" people, having and managing a mental illness is an unheard of feat.
