If you want to fast track your health, give your body a break, or just want to detox diet for a short time, follow this safe and do-able 7-day program. What to do

**7-day detox: A naturopath approved plan to do before ...**

During a fasting diet, the body cleanses all cells and tissues except vital tissue. Nutrients are stored in fatty parts of the body and it is enough for the body to survive at least a week and up to 2 to 3 months without food. This shows that doing a detox fast is perfectly safe for a number of days or a week.
