### The Solace Of Fierce Landscapes

While these two traditions are in tension, Lane focus is on the former as he explores the "fierce landscapes" of the Sinai, South Asia, the Ozarks, and to the desert southwest of the United States. Lane ends his Epilogue with the story of western travelers to California who became lost in what is now known as Death Valley in 1849.

The Solace of Fierce Landscapes is a moving and sturdy meditation on the desert. The desert is an outer place of starkness, terror, privation, and beauty; it is above all the locus of an encounter with God. For the author, the desert is also an inner locale, embodied in experiences of relinquishment and privation.

The Solace of Fierce Landscapes is not a systematic treatise or a history of thought so much as an exploration, as the subtitle suggests. It is enhanced by Lane's own wilderness experiences in deserts and mountains, and further framed by the moving story of his mother's death from cancer, her ultimate "desert" experience.

As you may have noticed, I have corrupted the title of a book by the theologian/wilderness backpacker Belden C. Lane for this blog; he writes of 'The solace of fierce landscapes' which is a wonderful concept (and book), but in these days of lock-down fierce landscapes are beyond the reach of most of us (although I have known a few manse gardens which might qualify).

### The solace of tame landscapes - North of the border

The Solace of Fierce Landscapes, says Frances Young in Brokenness and Blessing, is the kind of book she would have liked to have written herself. Published by Oxford University Press, this is a well-informed exploration of desert spirituality. But it offers more than that.
